

Hillcrest Golf & Country Club

From the President...

New Year's Eve:

We plan to have our annual New Year's Eve Party. Reservations requested by December 20th. If there is not enough interest we will re-evaluate.

I am pleased to announce that our large irrigation loan taken out to pay for irrigating the property, and doing the snack shop addition, has been fully paid off! This is really exciting news that we were able to accomplish the debt reduction and complete a major project renovation with the fairways and tee boxes – all in 1 short (or long) year! As a board, we want to thank everyone for their continued patronage as the early debt reduction is not possible without everyone paying their dues and using their club! Hillcrest will be well positioned financially for 2021 and beyond.

Ryan Elwood, President

Bridge work is almost complete for 2020, as Slowey's came out and lifted the bridge and poured footings to stabilize it and prevent further sinking. Waren will complete the final concrete work prior to opening in 2021.

Again, if you have any questions, concerns, compliments, please seek out a board member and we will do our best to address the situation. I hope everyone has a Merry Christmas and wonderful New Year! As the legendary football coach Vince Lombardi stated, "We would accomplish many more things if we did not think of them as impossible."

Thanks!

Ryan

Dining & Lounge Hours

Tuesday-Friday

11am-Close

Saturday

5pm-Close

*Closed Sunday
and
Monday.*

*Closed
December
24th - 28th.*

From the Golf Course...

Our winter is starting a lot like all the winters. We spend some time doing tree work and we spend some time in the shop working on equipment. It has been really nice out so the tree work is moving quickly.

I expect to get down about a dozen trees and I have a list of replacements about equal to that. We removed the hedge along #1 and I will redo the landscape in 2021. Some days we cut back the dogwoods along the pool fence, clean up all the debris underneath, and will let them regrow in the spring. When it's nice it makes sense for us to keep on cleaning up plant material.

If we don't get rain or snow soon I will have to get the old water wagon up and running. It has been a number of years since I have had to winter water. Didn't miss it. Greens and baby grass on the new tees will be the first places to get water.

From the Kitchen....

Thank you to everyone that has joined us for supper club. I've really had a great time being creative and preparing delicious food! This is a great opportunity to spend your minimums or plan a nice date. I hope everyone enjoyed their thanksgiving pies! Hope to see you for New Year's Eve!

Ladies Holiday Party!

Tuesday, December 15th at 6pm

Dinner off menu with White Elephant Gift Exchange to follow.

From the Pro Shop...

Pro Shop Hours:

December 1st -
December 18th

Monday- Friday –
